Dear [REDACTED] 25X1A5a1

It was a great pleasure to see you again and to have an opportunity for at least a brief chat. I thought your suggestion for a review of the present situation in the Chinese economics study field was a good one, and we are examining the possibilities of doing something along this line. [REDACTED] and I got together after I had seen you and he showed me the Institute down on

[REDACTED] I was quite impressed both by the real estate and by a couple of the doctoral candidates I met there. I hope we will see you in Washington again before the next scheduled meeting of the Panel of Senior Consultants. If you should come to Washington please do not hesitate to give me a call if you can find any time to spare.

Sincerely,
